

# Clear Creek ISD Special Education PTA Membership Form

CCISD SEPTA welcomes families, school faculty, students, and community members to join us to celebrate and support our students receiving special education services.

Why join SEPTA in addition to your school's PTA?

- To foster a district-wide environment where everyone can work together to provide the best possible education for children receiving any special education services.
- To receive educational info to strengthen special education children in their families, at school, and in the community.
- To give parents the opportunity to meet other parents with similar experiences.
- To join our community with an organizational structure, resources, and an opportunity to be a collective voice and advocate for all children with disabilities, no matter how big or small.

Membership is \$15.00 per person, cash or check payable to CCISD SEPTA
